Borden Boxla Artists Trim Camp Team At Arena 16-13

By ORVILLE GANTON

Camp Borden's gutted stick artists outstayed Newmarket camp to win an exhibition match, 16-13, at the Memorial arena Friday night. Borden's superior condition carried them at two fast a clip for the local troops.

Bill Mullis, former Brampton and coast league star, lined up with Camp Borden but Bill contented himself with sporadic rushes and with coaching his less experienced buddies on the field. "Slag" Slater, ex-Owen Sound speed merchant, ran wild for Camp Borden; he flashed the red light five times and fed his teammates constantly.

"Rees" Thompson, Maple Leaf hockeyist, was the big noise on

CARNIVAL HAS LARGE CROWD, DANCE TONIGHT

Despite the cold, a large crowd flocked to the Lions club carnival in the park. Opening after the memorial service in the arena, the carnival continued until midnight when the draw was made. Tonight, the Lions club festivities continue with a street dance on Main St. It is expected to block off Main St. shortly after 7 p.m., and the dance will be held between Timothy and Botsford Sts. Russ Creighton and his variety band will be on hand to provide music and entertainment.

The carnival featured a tent show, games, bingo, refreshments and a pony track which continued to attract children long after darkness had fallen. The proceeds of the carnival and dance will be used to help the club in its children's work and a large part of the money raised will be forwarded to England on the behalf of child war victims.

Winners of the draw, which was made by Pauline Elliott, came near the end of the evening. The president of the Lions club, Wm. Geer, spoke a few words of thanks for the support the club was given by the citizens of Newmarket before the draw was made. Winners were: 4136, a three-piece chesterfield suite, W. O. Carruthers, Newmarket; 1664, six-piece breakfast suite, S. J. Robbins, Wallaceburg; 5697, cedar chest, Gordon Ough, Newmarket; 7432, wrist watch, W. R. Richmond, Keswick; 9869, chest of silverware, F. E. Cook; 9408, lamp, S. D. Morning, R. R. 2, Newmarket; 7706, ton of hard coal, A. R. Hill, Richmond Hill; 8334, breakfast dishes, Mrs. W. E. Lehman, Toronto; 272, toilet set, Mrs. V. Naylor, Newmarket; 4422, hamper of groceries, Capt. J. H. MacGibbon, Barrie, Ont.

Leo Cull again headed the list of Lion club ticket sellers, turning in \$229 to swell the children's benefits fund.

INFLATION REAL EVIL

"To give you an idea of how scarce tobacco is in the Far East, the boys who are lucky enough to have plenty of cigarettes for their own use can sell their surplus stock for 15,000 Chinese dollars," writes F. O. G. E. Johns to the Newmarket Veterans' Association Comforts Fund in a letter of thanks for cigarettes he has received.

"Cigarettes are even more scarce here than in England. Of course we can get plenty of the Indian variety which are for all the world like corn silk we used to smoke behind the woodshed."

"It is too bad Chinese money is so worthless. One of our dollars is worth ten of theirs. Our work takes us into China quite regularly so we see inflation at its worst. When I see the conditions it brings along with all the Chinese problems, I can hardly imagine how the people keep on fighting."

"Peace in Europe makes us all think of getting home. But out here we realize there is another war to fight and the Jap will be every bit as hard to lick as the German. I'm stationed far from the active front in Burma but I've seen plenty of evidence at the many places I've been through of how they fight with no holds barred."

Other letters and cards of thanks to the Newmarket Veterans' Association have been received from Capt. J. L. Boyd and Rm. R. McDonald.

MANY ATTEND SERVICES AT MEMORIAL RINK

A memorial service was held at the Newmarket Memorial arena Wednesday evening in commemoration of V-J Day. The program was inter-denominational with the ministers of Newmarket churches sharing in the services. Mayor Dr. L. W. Dales conducted the program which included short addresses by Lieut.-Col. Newton M. Young and Rev. Capt. W. D. Muckle.

The services stressed a feeling of thanksgiving and emphasized the need to remember the sacrifices of Canadian men and women in uniform in building a lasting peace.

The services opened with Mayor Dales recalling the part Newmarket men and women had played in the war. Then followed a prayer of thanksgiving led by Rev. L. E. Sparks and the hymn, All People That On Earth Do Dwell. Rev. L. Lake took the scripture reading and was followed by Dr. Muckle in a short address. Dr. Muckle urged his listeners to remember the families which had suffered loss of sons, brothers or husbands, in their celebrations.

God Of Our Fathers was sung, followed by a prayer of intercession. Col. Young spoke, drawing the attention of the audience to the soldiers of Newmarket camp who shared the service, by telling of the job that must be done by occupation armies.

The Last Post was sounded, followed by Reveille. Rev. A. B. Stein spoke and a prayer of confession and dedication was said. The hymn, Oh God Our Help In Ages Past, was sung and the service ended with benediction.

CIVIC HOLIDAY GRANTED TOWN

Newmarket town council proclaimed a holiday for the day following V-J Day at a special meeting Tuesday afternoon. At a previous meeting Friday, the council decided to not proclaim a holiday, leaving the decision to the discretion of the employer. Following the presentation of petitions from the employees of Office Specialty Co. and Davis Leather Co., the council made its new decision.

At the Friday meeting, the council session was opened by Mayor Dr. L. W. Dales who remarked on the nearness of the Japanese surrender and urged that the event be acknowledged by thanksgiving and expressions of gratitude. Rev. A. B. Stein, pastor of the Christian church, led the council in a prayer for guidance through the first difficult years of peace.

Harold Babcock, engineer, architect, attended the Tuesday session of the council and to him the council referred their plans for a suitable memorial building. It is the intention to have the architect look over sites in town and present estimations on cost, type of building and material to a joint committee composed of representatives of the various town organizations for final decision.

Streets Thronged As Happy Crowds Cheer Good News

Within a few short minutes following the announcement that Japan had surrendered, Main St. was crowded with citizens who, hearing the radio broadcast or the factory whistles, left their homes to join in the celebrations. Cars raced up and down the streets, horns blaring loudly. Factory whistles and sirens vied with church bells and the old curfew bell. There was singing and shouting and laughter as men slapped each other on the back and women called to their neighbors.

The boys of the town were out in full force. Those without bicycles ran up and down the sidewalks pelting their luckier fellows with rotten fruit. A post-surrender battle with fruit for ammunition was fought at the corner of Main and Timothy Sts. with little concern for the bystanders.

Soldiers tramped the streets singing at the top of their lungs. Waste paper cascaded from the rooms of stores. Boxes and "no parking" signs littered the street with no other effect on the racing cars than to increase the noise. Above the din of the merry-makers, organ music from the spire of the Christian church could be heard.

Through the shouting, gesticulating crowd, a soldier made his way to the open door of a church. He went inside and knelt in prayer. There was little else in the way of religious observance of the event on Main St.

At 9 p.m., a sudden rain forced crowds to shelter but as the rain dwindled the crowds gathered again. The fire engine joined the parade of cars, its siren going full blast.

At 11 p.m., a huge stack of crates and other odds and ends of kindling which had been placed in the centre of Main St. at Botsford St. was set afire. Twenty minutes later, with the fire at its height, a fire alarm was turned in. Just at the scene of the fire, the fire engine collided with one of the cars which had been racing up and down the street. The car was badly wrecked but the engine suffered little damage. The five occupants of the car, three girls and two boys, were shaken up but otherwise unhurt. The fire was put out to the accompaniment of a mixture of cheers and jeers from the crowd.

Following the fire, the excitement died down by 1 a.m., Main St. was deserted except for a car and trailer picking its way down the street on a homeward journey from the lake.

Smiths Lead Directory Listings With 21 Numbers

More than 10,000 copies of the new telephone directory for Newmarket and vicinity have just been distributed, about 1,200 of them being assigned for subscribers in this community.

The Smiths lead the names with the most listings in the Newmarket section with 21. The Evanses and Rogerses are a poor second with only seven listings each.

It is easy to keep up with the Joneses in Newmarket. There is only one listed.

In the Brampton section, the leading names are McClure, Smith, Wilson and Robinson in that order.

According to C. E. Blodale, Bell Telephone manager in this area, the new book contains 2,200 listings new and changed since the last issue, including a number in the Newmarket section.

"It is important to consult the new directory carefully before placing calls, and to bring desk lists and memo pads up to date," Mr. Blodale said. "Avoiding unnecessary calls to wrong numbers helps us to serve you better."

It is hoped that on receiving the new books, telephone users will contribute the old ones to the regular salvage collection, paper being still in great demand. There will be a salvage collection Sept. 22.

Juveniles Trim Hill 15-12 In First Play-Off Game

By ORVILLE GANTON

Newmarket's group-winning juveniles got away to a flying start in the play-offs here Friday by defeating Richmond Hill 15-12. Umpire Bell called it in the sixth after Tommy McHale put it on ice with a three-run double, his second of the game. Haskett started Ken Broughton, but yanked him in the sixth when the hillbillies scored five runs on five hits and three passes. Gibson then stemmed the onslaught with the bases loaded and the count 12-11.

Our kids smacked Stevenson for 13 runs in the first two innings. Richmond Hill then brought in Stenden, their young bantam left-hander who blanked our boys until the sixth when he curiously grooved one for McHale. Stenden looked very fair for a 14-year-old. He had a nice delivery and a good command of stuff which seemed to have our lads slightly stymied.

McTavish at third has plenty of poise with a perfect stance at

the plate. He had three for four, one a ringing triple which drove in three runs. "Mots" Thomas fielded well except for one lapse when he stood petrified with a double play ball in his hand and allowed all three runners to advance. Tommy McHale wields a powerful bat but if he centered more of his weight on his right foot, he would get more omph.

For Richmond Hill, Clement, Rose and Little stuck up well. Clement, the receiver, bats well and had the best arm in the ball game.

Big Kenny Broughton has all the requirements of a first-rate ball player. He hung one in the old willow tree beyond the blue with no effort whatever.

The summary: Newmarket: 13 hits; 15 runs; five errors; Richmond Hill: 17 hits; 12 runs; six errors.

Newmarket: McHale 1b, Rutledge ss, Brown of, Winger c, Hill of, Thomas 2b, McTavish 3b, Broughton p, Minahan lf, Gibson p.

THURSDAY, AUGUST 16, 1945

ON V-J DAY

The surrender of Japan was announced at 7 p.m., Tuesday, Aug. 14. With the announcement, the most devastating war in the history of the world has come to an end.

The announcement brought happy crowds into the streets amid a blare of horns and whistles, shouts and singing. The celebrations lasted far into the night. It is not, however, in the noise and laughter that the significance of victory is found. The war was not fought that in the end, victory should be acknowledged by celebrations only. This is a time for re-dedication, for the renewal of a resolve, made in darker hours, that war must never again desecrate the earth.

It will not do to turn now to our own affairs to the exclusion of other nations as was done after the last war. We must continue the alliances of war into the making of peace. The surest guarantee that the United Nations will continue as an entity is for every man, woman and child to determine this be done. The councils of our nation will heed such determination if it is voiced by all its citizens.

The tremendous destructive power, climaxed by the atomic bomb, which we have learned to use in war must be reconciled to the ways of peace. We must readapt our economy, disarm our foes, and propagate the tenets of order and justice on which democracy is founded in all parts of the world. More than that, we must as individuals look to the future with the sure conviction that if we desire it enough, a lasting peace may be had.

What Others Think

THE RIGHT TO WORK

(Toronto Saturday Night)

If an employee cannot be dismissed without reason by his employer—and that is one of the principles which seem to have been established during the war and to be likely to survive it—it seems to follow quite logically that he cannot be dismissed without cause by the organized union of his fellow workers. A union is no more exempt from the possibility of injustice than an employer.

Recently a trade union which, by stopping work long enough and on an extensive enough scale, could practically starve the entire Canadian people, claimed the right to drive from his employment a fellow worker of whom they disapproved. They backed their claim by going on strike in a manner expressly prohibited by their agreement with the employer, and also by the law; and it is interesting to note that on this occasion the union authorities, differing from most of those who have been heard from lately, did not claim that the strike was a wildest one and that they were unable to control their own members.

The instant trade union, begins to depend on

rights accorded it by law, and not merely by agreement enforced upon the employer, it is in a position where the use which it makes of those rights must be carefully scrutinized by the public authority. The public authority has already conferred upon the packing house workers' organization the right to recognition as the bargaining agent for the workers in that industry. The union cannot enjoy that privilege without accepting some collateral responsibilities. Men must not be deprived of their right to continue in the employment of their choice merely because some of their fellow workers do not like them and have influence with the union officials. Incidentally, the union in question showed particularly bad judgment in picking on a war veteran to be the first victim of their tyrannical powers. There is already a widespread suspicion among the public that some unions are not being as co-operative as they might be in the matter of assisting war veterans to return to civil life.

CANADA'S WAR CASUALTIES

(From The Orillia Packet and Times)

The latest casualty list, up to May 31, makes the total manpower loss of the British Empire just over a million, one hundred thousand. Of these 336,773 were killed, 408,388 were wounded, nearly 100,000 were missing, and the remainder were prisoners of war, most of whom, it is presumed, will be released.

Among the nations of the Commonwealth, New Zealand has been the heaviest sufferer, with 9,844 dead, 2,201 missing and 19,253 wounded out of a population of about a million and a half. The little dominion has kept divisions on the fighting fronts throughout the war, and also contributed heavily to the Royal Air Force. The United Kingdom comes next on the list, in proportion to population, with 233,042 killed, 57,472 missing and 275,975 wounded. These figures should be the final answer to the enemy slander that the British were leaving other parts of the Commonwealth and Empire to do the heavy fighting.

Canada's losses in this war have been much lighter than they were in the Great War—36,918 killed and 2,806 missing, as against nearly 60,000 in the Great War; and 53,073 wounded. In all figures, except those for India, the small number of wounded in comparison to the killed is noticeable. It used to be considered that at least three times as many would be wounded as killed. The fact that, until the war was nearly half over, the Canadians were held as part of the garrison of Great Britain accounts, in part, for the lower losses; but Canadian air force casualties were heavy. In proportion to population Canada's losses were less than half those of New Zealand, and slightly below those of Australia, which has suffered 24,415 deaths, with 6,519 missing and 37,477 wounded; but larger than those of South Africa, with 6,417 killed, 1,980 missing and 13,773 wounded. The Australians are still heavily engaged in the Pacific war, and their losses have probably increased considerably in the past two months.

Latest returns place the casualties suffered by the United States at 1,058,942, including prisoners of war. This represents very much higher losses than in the Great War, when the Americans killed did not much exceed that of Canada. This time, however, the United States provided the largest part of the Allied force on the Western front, besides taking the heavy end in the Pacific. The British Burmese campaign, however, was a major operation, and accounted for a large proportion of the losses sustained by India, which up to May 31 had amounted to 23,295 killed, 12,264 missing and 62,084 wounded.

The total number of Empire dead (336,773) is, however, small, compared with the tremendous losses suffered by the Russians and Germans. Russian figures are not available, but official documents discovered in Germany place the enemy's killed, up to the end of last November, at 1,911,300, with nearly another half million missing. To these enormous figures will have to be added the terrific losses sustained in the campaigns on the Eastern and Western fronts which brought about the final collapse and overthrow of Germany.

OPEN HOUSE AT PARK THE COMMON ROUND

By ISABEL INGLIS COLVILLE

By ORVILLE GANTON

Director F. L. Hall held open house at the play grounds last Thursday evening. Although frequent summer rains and constant good care have transformed his house into a picture of beauty, it was the tenants more than the house that drew a large crowd of somewhat bewildered parents to watch with honest admiration and pride their offsprings' athletic prowess. What they saw was a huge sports panorama aflame with life and gaiety, a forest of happy, young faces.

They saw nature's first school for good citizenship where home-pampered children might, through competitive sports, regain their confidence and place in society; a school to teach them that life is a hard game in which all the hits must be run out and team work is imperative. But better still, they saw a well-managed workshop for developing the kind of healthy bodies and minds required for an even start on life's long marathon.

It was impossible to get a complete picture of this juvenile sports pageant. At one time my curiosity and suspicions were aroused by a large group closely huddled around a bench. Deciding to investigate, I pushed my way in hoping I would not find some dire mischief afoot on such an auspicious occasion. However, my fears were unfounded because when I reached the centre of the attraction there sat "Poppy" Bunn and "Uncle Josh" Newton calmly engaged in a game of checkers on a miniature board. Poppy was pensively studying how to get into the king row while Uncle Newt, with a grin from ear to ear, was chiding him with "I got you all tied up, by cracky," and the large gallery of juvenile kibitzers were enthusiastically edging them on.

In the featured girls' ball game the town league Goslings barely nosed out Mr. Hall's pets 6-5. Thirteen-year-old Jeanie Staley was on the mound for the school girls. She showed good control and fielded her position well. Lois Blight hurled for the Goslings which were a little stronger with the willow than the Lion Cubs.

The teams were, Goslings: Duncan, Andrews, Webster, Blight, Pegg, Pritchard, Pemberton, Hall, Mitchell. Playgrounds: De La Haye, Mathews, J. Bovair, M. Broughton, MacInnis, Rowland, Staley, P. Bovair.

The senior boys surprised everyone by the class of ball they displayed. Both pitchers, Newton and Gibson, were as smooth as silk. The infielders were always in correct position and knew where to make the plays. Pint-sized, nine-year-old Bobby Forhan in centre field looked very hep. All hits into his territory were dead ducks. As one of Bobby's staunchest young supporters told me, "He'll make a better man than his Uncle Bill some day I betcha". The Newt-ers finally squeezed out a 2-1 win which is good ball in any man's league.

In a special matched foot race which was promoted by Lions Bowser, Cull and Pritchard, Laurie Thoms breasted the tape in front of Doug Bunn and John De La Haye.

Mr. Hall and his assistants, Fred Evans, Audrey Rowland and Glenna West, are to be congratulated on the manner in which they handled the program and kept everyone hustling.

Lack of space will not permit a detailed account of all the events but here is a list of the

MEMORIES

I do not suppose that there is one of us who has not a safely guarded treasury of memories.

Some are beautiful, some are sad, but all are pure gold or silver tried in fire. I have some of my father, of him and my mother starting out in the cutter on Christmas eve with baskets of good things, usually a fowl, a plum pudding, and some sweets if there were children, in each basket. The baskets for the poor, the forgotten, and the old, who were all too easily neglected in a prosperous town.

I have a memory of my confirmation day when, a belle self-conscious in my new white dress and veil, I walked up the aisle with others to kneel at the altar rail, felt the self-consciousness drop away and a humble pride take its place; humbleness at my unworthiness, pride that I was now a member of the church militant.

I have a memory of the moment when the ship left Bermuda and a realization of the uncertain months and perhaps years that might pass before I would again see my husband, came over me. And now, to

these and many others equally poignant I have added another: 24 years ago we came to Pleasantville.

We were strangers in a strange land. Instead of the glorious St. Lawrence, mud and the sparse green of early spring met our eyes. We missed old friends, we missed familiar surroundings; we were facing a future with which none of us were overly familiar, and at times it looked dark enough. Then one day a caller came. Whenever I looked at her I knew we would have a friend.

The passing years have proved how right I was. Now we find it so hard to realize that she has passed out of our lives into the larger life. It is hard to reconcile myself to the thought that when I go into that familiar room, I shall never again see Mrs. Starr knitting socks or mittens for some needy soul or planning or sewing on some of the many quilts she made for relief or for the delight of her grandchildren.

From her and her husband, I gained all my knowledge of this

pleasant place in which we live. The farms and houses and people came alive in their tales of the past. Now the familiar chair is empty and although we, who knew how she suffered, can be thankful for her release, our hearts are sore. We have added another treasure to our memories.

The telephone instrument is only part of telephone service

1. The telephone instrument is just part of the equipment required to furnish telephone service.

2. There must, of course, be wiring from the telephone to the nearest cable or open wire.

3. And unless there is an available pair of wires in the cable from the exchange, no telephone can be added in that particular neighborhood.

4. In manual exchanges, additional telephones mean more operators. And these can be added only if the switchboard can be enlarged.

In your own community, there may be a shortage of overhead cable, or of underground facilities, or lack of equipment at the exchange.

So if you have applied for service and are still waiting, please bear in mind that the

telephone instrument itself may be only part of the equipment required to provide service—and that wartime material shortages are as acute as ever, so that we are still unable to meet all current demands.

HYDRO
RURAL SERVICE... WHEN?

To the Hydro,
Dear Sir,

I am writing to ask when am I going to get electricity brought to my farm. You've had my application for some time and I was told that it had been approved. The Hydro wires pass my farm. Why then is nothing done about it?

Please let me know if this matter has slipped your mind, or do I get electricity?

Yours truly,
John R. XXXXX
R.R. No. 6, XXXXX, Ontario

To the writer of this letter and several thousand others who are in the same position, your Hydro can definitely say that your application for service certainly has not "slipped our mind." Everything that can be done is being done to serve as many new customers as soon as possible.

Even though many regulations have been relaxed, and the war in Europe is over, there is little, if any, sign of improvement in the shortage of labour and materials. The shortage of only one of the many parts needed to complete a service results in a delay. The labour and materials available are being used with extreme care and planning to serve as many new rural customers as quickly as possible.

To these applicants in areas where Hydro lines are still to be constructed, Hydro service will be made available as the supply of labour and materials improves. Already sufficient applications have been received which will require the construction of over 2,000 miles of line that cannot be undertaken in 1945. However, your Hydro is making every effort to complete by the end of 1945 all applications made in 1944 that have been officially approved by letter.

Your Hydro has done and is doing everything possible to extend electricity to essential rural services. The Hydro rural service that you are waiting for will be completed just as soon as the labour and material situation permits.

WILL HONEYMOON IN THE LAURENTIANS
Gladioli with palms and ferns decorated Leaside United Church for the marriage on Tuesday evening of Helen Allan, daughter of Mr. and Mrs. Hugh Allan, to F. L. Stewart, son of Mr. and Mrs. James Barton Walker, Newmarket. Rev. H. A. Mellow officiated. D. G. R. Brown was at the organ and Miss Vera Walker, sister of the groom, sang *O! Perfect Love*.

Given in marriage by her father, the bride wore a gown of petal white faille taffeta with eyelet embroidery trim. Her fingertip veil was fastened to a coronet trimmed with pearls and she wore pearl earrings and a double strand of pearls, the gift of the groom. She carried a cascade of gladioli petals, forget-me-nots, the base formed by a horseshoe made of white heather sent from Scotland.

Attending the bride was Miss Eileen Walker, sister of the groom, and Miss Grace Trapp and Miss Helen Rees, in graceful frocks of Flemish peacock crepe. They wore calots made of the same material trimmed with gold sequins and carried cascades of gladioli centred with white heather. F. O. Longbow vs. Driver Features Highland Club Open House

The Highland Golf club held an open house day last Sunday and despite showers in mid-afternoon, a large number of Aurora and district folk visited the club for sandwiches and coffee, a tour of the course, and a sight of the various matches in progress.

Special feature of the day was a golfer vs. driver match in which Bill Boaks, the club champion, matched drives, chips and putts against the longbow of Stewart Henry for distance and target accuracy. Henry was allowed a five-foot leeway on either side of the target but Boaks had to sink even the shortest putt. The match ended in favor of Boaks by one stroke, of one arrow, according to whichever way you were cheering. A gallery of over 50 followed the duo around the whole course.

Par for the course is 70 for 18 holes or 35 for nine, made up with the following pars: 4, 3, 5, 4, 3, 4, 5, 3. From the outset, Henry demonstrated that, unlike the other fellow who shot an arrow into the air, he knew where his arrow was going to fall with the following results: Boaks took the first, the second and third were halved, Henry

took the fourth and fifth, Boaks took the sixth and seventh, the eighth went to Henry and the ninth to Boaks. Boaks had a 39 total and Henry's arrow just missed tying it on the ninth green for a forty total. The club champion was in good form but had to be as Henry's bolts were averaging around 185 yards each.

Three matches were played during the day in the Jarvis Shield competition, a scratch event. Boaks defeated Herman Gilroy seven up with six to play. Dr. G. W. Williams and Eddie Chatterley are in the fourth bracket and the winner will go into the semi-final round with Cain, Molyneux and Boaks.

The event, which won the club many new friends, was presided over by past president Hugh McRae. Colin Nisbet, the new owner, has spent around \$2,700 so far this year in improving the course, and the members are proud of the result, both for beauty and playing terrain.

GREIG-THOMPSON RITES IN MT. ALBERT

The marriage of Velma Pearl Thompson, daughter of Mr. and Mrs. James Thompson, Mount Albert, to Cpl. John Frederick Greig, R.C.A.F., son of Mr. and Mrs. Seymour Greig, Newmarket, was solemnized Aug. 11 at the home of the bride's parents. Officiating at the double ring ceremony was Rev. R. V. Wilson, Orangeville.

Mrs. Annabel Leadbetter played the wedding music and Miss Irene Harper sang O Perfect Love. A cedar arch entwined with shasta daisies and an assortment of colored flowers were used for decorations.

Given in marriage by her father, the bride wore a long dress of ivory satin inset with lace, a finger-tip veil of white tulle with a coronet headdress of lily of the valley. She wore a triple string of pearls, a gift of the groom, and carried a cascade bouquet of red roses, maiden hair fern and baby's breath. Her bridesmaid, Miss Viola Oldham, Mount Albert, wore a long gown of old rose frosted taffeta, carrying a bouquet of white gladioli with a matching headdress. Two flower girls, Elizabeth Ann and Marian Jean Menar, nieces of the bride, wore dresses of heavenly blue and pink sheer and carried nosegays of pink roses and pansies. Serving his brother as groomsmen was Bruce Greig of Newmarket.

For the reception held at the home of the bride's parents, the bride's mother had chosen a two-piece ensemble of navy blue sheer with matching accessories, while the groom's mother was wearing an Alice blue crepe gown with matching accessories. Both wore corsages of red roses. The couple left for a wedding trip to points north, the bride travelling in a dress of aqua blue crepe with brown coat and accessories.

Uniform Surprise To Kin, LAC Cecil Stephens Home

After nearly nine years in England, LAC Cecil Stephens, eldest son of Mr. and Mrs. D. E. Stephens, Yonge St., surprised his parents last weekend by arriving home in an R.C.A.F. uniform.

Just turned 21, LAC Stephens felt he would like to see the world and left home to work in Montreal. Then he worked his way to England on a cattle boat, and toured most of the country before he went to work with the British Power Boat Co., owned by the famous racing driver, Scott Payne. He became a mechanic, and met his future bride, Miss Louise Cousten, an English girl who had resided for some years in London, Ont., but who had returned overseas with her parents. They were married in October, 1939, and now have a family of three, two boys, Lawrence and Trevor, and one daughter, Patricia, born a fortnight before her father left England.

LAC and Mrs. Stephens went through the bombing of Southampton with what LAC Stephens calls "luck" for they only lost the windows in their home when many of their neighbors had their homes razed to the ground. When his brother, Harold, enlisted in the R.C.A.F. in Canada, Cecil made up his mind to do likewise, but was frozen in his war work. When his youngest brother, Bob, joined the army, he was successful in being accepted for air crew by the

Royal Air Force in 1943. Because one brother was overseas, and another brother due to go over with the army, LAC Stephens figured his parents had enough to worry about so he pledged his brothers not to reveal his secret, as well as Aurora boys like Ed. Dudley, Alf. Cooper, Tom Rank, and others whom he met overseas. How well his secret was kept may be seen in that Firemen Rank and Dailey and FO Harold Stephens have all been home from overseas but did not tell Mr. and Mrs. Stephens.

Because of his mechanic's experience, his air crew training was hindered as demands came from ground crew, so LAC Stephens tried to transfer to the R.C.A.F., making the grade just before V-E Day. "It was a tough job getting into your own country's service, but I finally made it," he said.

Home now on 30 days leave and then back overseas for occupation duty, LAC Stephens expects to eventually return to Canada with his wife and family. He wears a jaunty moustache now, speaks with a crisp English accent, has an English vocabulary, but still thinks Canadian. He saw quite a few changes in Aurora after nine years, but remembered every inch of the town. He is meeting his sister-in-law for the first time and his only regrets are that his family and his brother, Tpr. Bob Stephens, now in Germany, are not here.

Juveniles Lose Two Games, Quit York Lions Play-Offs

Aurora juveniles passed out of the play-offs in the York Lions baseball league this week, by dropping two games to Harry Rattle's Milliken seniors, 5-2, and 13-5, respectively. Milliken played the steadier ball, and fielded and batted well. The local youngsters turned in two of their worst performances of the season, blowing in the pinches. Newmarket now meets Milliken in the league finals. The Aurora boys hang up their spikes with the knowledge of enjoying a successful season, and going down fighting. Monday's game saw a hectic fifth inning with considerable bickering.

MILLIKEN 5, AURORA 2
On Friday Aurora invaded Milliken and despite the fact that Ronnie Simmons limited his opponents to two hits while his mates were garnering four blows off Orval Rouse, lost the game. Milliken scored a run in the first, Aurora got one back in the third as G. Simmons, McGhee and Smith singled. In the fourth Aurora went ahead as Nigh scored on Cook's hit. Milliken saved their rally for the last frame, two hits, a walk and two errors being combined to total five runs.

MILLIKEN 13, AURORA 5
On Monday, in one of the most colorful games of the season, Milliken stamped themselves as potential champions by coming from behind a 5-1 Aurora lead to

take the game. Aurora by virtue of three hits, two walks, and a hit by pitcher Simmons tallied five in the first. From then on Rouse settled down and except for the fourth inning, when Aurora filled the sacks, had the locals eating out of his hand. Milliken blasted Simmons from the mound in the fourth, and in the fifth put the game on ice with a further assault on relief pitcher Keith Kyle. Third sacker Eric Smith of the locals was ejected from the game by umpire-in-chief Bob Bell for smothering Sellars in a play at third. For the winners, Lyall Patch at third was the fielding star while Rouse aided his own cause with two hits. Bill McDell made the feature catch of the game, in deep centre, while McDonald had two hits for the locals. Kyle also made a brilliant play at third. Umpires Bell and Lamoureux handled the game well, despite the fact the last inning was played in semi-darkness.

Aurora: Jim McDonald c, Ron Simmons, Keith Kyle p, Bill McGhee 1b, Eric Smith 2b, Keith Kyle 3b, Norm Nigh ss, Stew. DeLaHaye, Phil Mundell, Loring Doolittle, Gerry Simmons, outfield.

Milliken: Keith Jewett c, Orval Rouse p, Bill Wilson 1b, Carl Sellars 2b, Lyall Patch 3b, Andy Grant ss, Morrie Patch, Bob Gough, Bob Sellars, outfield.

FORMER AURORA BOY WEDS TRURO GIRL

The marriage took place July 21 in St. Andrew's United church, Truro, N.S., of Reta Minerva Snook, daughter of Mr. and Mrs. Frederick Leaman Snook, Truro, to Flt.-Lieut. Douglas Henderson Alcorn, D.F.C., R.C.A.F., son of Mr. and Mrs. Harold L. Alcorn, Toronto. Rev. H. J. Rowley officiated. The groom is a former Aurora boy. His parents resided here some years ago when Mr. Alcorn was manager of the Aurora branch of the Bank of Montreal.

Adorning the church were tall standards of delphinium and foxglove. The bride, who was given in marriage by her father, wore blush satin, fashioned with basque bodice and full skirt falling into a slight train. Her tulle veil was held in place with a cap of matching satin and she carried a cascade of white gladioli and rose delphinium. Grace Alcorn, W.R.C.N.S., sister of the groom, as maid of honor, was gowning in rose satin, styled similarly to the bride's dress and wore a Juliet cap of braided satin. Her bouquet was of white gladioli and blue delphinium.

Attending as groomsmen was Sqdn. Ldr. F. N. Cann of Halifax and as ushers were FO J. W. Snook, brother of the bride; Wing. Com. Eric Duggan, Edmonton; Flt.-Lieut. Robert MacLellan, Halifax, and Flt.-Lieut. Thos. Fraser, Truro.

For the reception, the bride's mother chose a midnight blue ensemble with flower hat in contrasting shades, while the groom's mother wore a garden print with touches of black and fuchsia. To travel, the bride changed to a three-piece costume of gold tweed with brown accessories and a corsage of roses.

Col. F. H. vanNostrand Given O.B.E. By King

Col. Frederick H. vanNostrand, E.D., Vandon, who was recently awarded the Order of the British Empire, received his decoration from the hands of King George VI at an investiture held at Buckingham Palace on July 26. A graduate of Aurora high school and the University of Toronto, Col. vanNostrand is an outstanding neuro-psychiatrist, and commands a large hospital in England.

STOUFFVILLE WINS

Stouffville defeated Markham 11-4 in the first game of the district bantam baseball play-offs. The winner will meet either Aurora or Richmond Hill, who are now in action, in the finals.

14 STITCHES NEEDED

Miss Mary Brown suffered painful injury to three fingers of her left hand Monday when she caught them in a machine she was operating at the Sisman Shoe Co. The fingers were not severed but 14 stitches were required. She will not be able to resume work for some weeks.

Tpr. H. "Mickey" Sutton Home From Overseas

Third son home from overseas of one Aurora family is Tpr. Howard "Mickey" Sutton, son of Mr. and Mrs. Harry Sutton, Victoria St., who arrived home on Sunday. Previously Ptes. Donald and Verdun Sutton had returned home. Howard enlisted with the Canadian Armored Corps in 1944, trained at Newmarket and Camp Borden, and went overseas this year, arriving too late to see any action. He volunteered for service in the Pacific and was returned to Canada for training for that theatre of war. Previous to enlisting he was a well known Aurora athlete.

Former Aurora Lawyer On Arbitration Board

Aside from the fact that meat rationing is on its way, and they are interested in seeing a steady supply available maintained, Aurorans have another interest in the recently appointed board that will settle the strike issues between employees and management of Canada Packers Ltd. for the chairman is Mr. Justice John Gillanders. His Lordship once practised law in Aurora and while here was interested in tennis, dramatics and politics. Other members of the board are E. B. Jolliffe, K.C., Toronto, and Lionel Forsythe, K.C., Montreal.

MRS. HULDA FEREN DIES IN HER 79TH YEAR

A former well known Aurora resident, Mrs. Hulda Amella Metherell Feren, widow of the late Alfred Feren of Aurora, died at Little Britain, Ont., on Monday. She was in her 79th year. Born in Victoria county, she had been in ill-health the past few months. After her marriage she resided at Claremont, and was a resident of Aurora for 32 years. Her husband predeceased her two years ago. A member of Aurora United church she was at one time active in church affairs. Surviving are one son, Leonard Feren, of Aurora, and one daughter, Mrs. Walter Milgate, of Aurora.

Funeral services were held at Little Britain today with Rev. L. W. Scott in charge. Interment was at Aurora cemetery where Rev. Roy Hicks took the graveside service.

FRED R. DELAHAYE DIES IN 61ST YEAR

Frederick Roy DeLaHaye, one of Aurora's well known residents, died Monday. He was in his 61st year and had been in ill-health for the past year.

Born at Churchill, Ont., he moved here with his parents, the late Philip DeLaHaye, and Mrs. DeLaHaye, and attended Aurora schools. In his youth he was one of the town's best known lacrosse players and was a member of the 12th Yorks Band.

He entered the blacksmith trade with his father, later carrying on the business himself, and in addition was a skilled mechanic. A talented musician, he played first cornet in the Aurora Citizens' Band under the late John Querrle, and the late Tom Griffith, later becoming bandmaster, a post he held until his illness. He was a member of the band for over 35 years.

He was a member of Aurora I.O.O.F. and Rising Sun Masonic lodge and attended Aurora United church.

Surviving are his widow, the former Alice Nelson, two daughters, Mrs. L. J. Moore (Reita), of Aurora, and Ruth, of Toronto, his mother, Mrs. Philip DeLaHaye, a sister, Mrs. Bert Hughes, and a brother, Earl, all of Newmarket, and one brother, Orle, of Aurora.

Dance In Streets As Word Arrives Japan Has Quit

Shortly after 7 p.m. on Tuesday, as radios blared forth the welcome news of Japan's surrender, whistles and church bells broke out in unison, motor horns honked, crowds gathered in the streets, children and teen-agers broke forth in war whoops, flags appeared on places of business as if by magic, business came to a standstill — especially in the two Chinese cafés whose owners took special delight in the news — streamers and paper were scattered, and in place of the planned demonstration on V-E Day, Aurorans celebrated the coming of peace in their own spontaneous fashion.

Many attended the three services held in the Aurora United church between 7.15 and 8.15 by the Rev. Roy Hicks, to give solemn thanks, to pray silently and sing the old familiar hymns. Others uttered silent prayers in their own homes.

The town fire truck, with youngsters aboard, toured the streets, and cars and trucks followed suit to form a parade. Hastily a platform was erected in front of the post office, and the Aurora Citizens band played for dancing on Yonge St. Quite a few people motored to neighboring Newmarket, Bradford and Richmond Hill to see what was happening and take in whatever fun was available. Veterans of the last war, and citizens and children seemed to be doing more spontaneous celebrating than did service men in uniform, including those back from overseas. It was not until around 11 p.m. the celebrations downtown broke up, and then radios were heard late in houses as reports of world-wide celebrations poured in over the ether waves.

Mayor Ross Linton, early Tuesday, proclaimed Wednesday a public holiday if peace was declared on Tuesday. On Wednesday all places of business were closed including restaurants and drug stores. Travellers and some members of the Aurora R.C.O.C. Depot found themselves literally "starving." Smokes

were at a premium. A public service of thanksgiving was held in Trinity Anglican church at 11 a.m. with Rev. Canon F. J. Fife conducting the brief service. The church was crowded.

In the evening a "street party" was held on Yonge St. by local citizens, with informal arrangements prevailing. Ken Rose's Fire-Fighters provided the music for dancing. "A special civic service of some sort will likely be held soon," Mayor Ross Linton said. "Council met on Wednesday morning, but some members were away and there was quite a bit of diversified opinion about it. It was felt that next Sunday would be too soon to properly acquaint the public. An announcement will be made shortly."

Two Whitechurch township families were more especially concerned with the announcement of peace for it meant the release of loved ones, prisoners of the Japanese since the fall of Hong Kong and their early return to Canada. The turning over at once to Allied authorities of all prisoners of war was one of the first terms of peace.

Pte. Allen Harper, son of Mr. and Mrs. Ross Harper of the eighth concession, one of four brothers on active service, was taken prisoner while serving with the Royal Regiment. He enlisted in 1942, and was soon in the Far East. Pte. Edwin Barlow, of Gormley, was captured in December, 1942, and is the son-in-law of Mr. and Mrs. Axel Berg, his wife being the former Olga Berg. Pte. Barlow, a native of England, came to Canada at the age of 17, and before enlisting was employed with DeHavilland Aircraft. He was married in August, 1942, departing to the Far East shortly thereafter.

News from both soldiers has been infrequent, but at last reports they were alive and well, and eagerly looking forward to the day when they would be released.

DOWN THE CENTRE

Jack Rudderham, the Liver- pool, N.S., soldier who did some high class throwing for Newmar- ket camp hardball team last summer, is now stationed with the army at Yarmouth, N.S., and has been cutting quite a dash with his twirling in the senior baseball league down east. He is averaging around nine strike- outs per game and taking the best of them in his stride.
Lefty Wilson, "the voice" who guarded the nets for the navy hockey team last winter and who chose to make baseball a career following his discharge this year, has been doing exceed- ingly well. He started out with Roanoke, a farm team of the Boston Red Sox in the Blue Ridge league and following some prolific hitting which netted him .390, has been drafted to Louis- ville in the American Association. If he makes good there he will hit the big leagues next year. Thus another Canadian boy is headed for success. If another example is needed by the kids, take that of Toronto's Gody Ken- who, after some years in the minors and plenty of ups and downs, has blossomed forth with the Brooklyn Bums this season as the club's leading outfielder and hitter and the National League's heir apparent for the batting championship.

Three young hopefuls from Aurora have filed entries for the Maple Leaf's baseball school via coach Del Babcock and it is to

be hoped that Pete Campbell and company will be able to accom- modate the boys. The lads who have made application are Bill McGhee, who is playing a dandy game at first base for Aurora juveniles, Bonnie Simmons, tal- ented young pitcher and infield- er, son of league proxy Leonard Simmons, and Billy Mundell, smart, young, all-round athlete. The experience will do them a world of good and is a fitting climax to a long season. Hope some of the other kids will have adopted the same idea.

We notice that Beaches Lions, which are going good in the Tor- onto juvenile series, have none other than Eric Upton, better known to the fans as "Goose" Upton of Richmond Hill, in their line-up. Young Upton will be remembered at pitching a no- hitter in the district kids' league last season. He is currently per- forming in the outfield and of course is still eligible to play for the Hill kids in the current play- off series.

Reg Button, former Stouffville baseball star in the R.C.A.F., has been promoted to the rank of flight lieutenant. He expects to be discharged soon, however. Ben Gayman, Markham township constable, is coaching the Union- ville girls who are playing smart ball in the Markham township girls' league which is enjoying a successful season. We ran into Bill Jones, who was one of the district's best all-round athletes ten years ago. Bill lived in Newmarket but attended Aurora high school. He played hockey for Aurora juniors, soccer, track and basketball with Aurora high school. In 1935 he ran a five- minute mile over a grass track to set an Aurora high school record which still stands. He also set the district school mile mark if we recall rightly. Jones is as affable and debonair as ever. He is married with two children and sports a mustachio. He works now at Research En- terprises and played some T.H.L. hockey for his plant last winter. Sends regards to all his old friends.

Jimmy Cummings, former cap- tain of Aurora Tigers and storm centre of one of the bitterest protest, fights down junior B play-off lane, will probably get a chance to show his real worth at rugby this fall. For three years he has started with the understaffed and luckless Oak- wood Indians. This year he just about went to Ottawa to Dave Sprague's Trojans but now will stay with Indians. No wonder! There is a new deal out for the Braves. Already such name players as Bill Stukus, Ross Mc- Kelvey, Frank Stukus, Harry Sonshine and Jake Gaugar (he played junior hockey for Orillia against Aurora and intermediate for Angus Bombers against New- market) has signed on the dotted line and with players like that it should be much easier going. Gordy Brennan, Cumming's brother-in-law and another former Aurora junior, will likewise be with the tribe.

Clair Exelby, known in the past as "Ex The Great", is bat- tling 250 for York Depot in the Beaches League. Only service player over the .300 mark is Wilf Smith who starred for army drivers against Newmarket re- cently. Don Hamilton, former goalie for Aurora juniors and latterly with Army Shamrocks, was in town last week. Don has a current heartthrob among the ranks of the C.W.A.C. at the Aurora ordnance depot. He has been playing softball for district depot and expects to again play hockey, either civilian or service, preferably the former. He re- ports seeing Ronnie Rowe, erst- while Markham junior and Aurora nemesis now in the navy. Rowe, who is the property of the Toronto Leafs, had hopes of being out of the silent service this fall but from all reports he'll still be wearing bell bottom trousers down Montreal way come the snows and artificial ice.

Ernie Hughes, who guarded the nets for Newmarket camp the year Brampton pulled an unex- pected K.O., is back from over- seas. Ernie did a bit of hockey and softball overseas too. From Holland comes word from George Hodgins. Former shortstop for Aurora in the York-Simcoe league, "Hoppy" is with the Lincoln and Welland regiment now and has been playing soft- ball with the unit team. He has been taking part in track and field events with fair success. He reports a heavy sports schedule arranged for the Can- adian boys on the continent and, needless to say, the chaps are enjoying it.

It seems as though you can hardly turn around these days without somebody stopping you to say that the Aurora golf club (pardon us "Pop", we mean the Highlands) is in wonderful shape. Joe Pringle was the latest and we are pleased to add another plug for the course. We have just about decided to haul the clubs out of the attic and see if our slice is still working. A mere matter of golf balls is all that holds us back but we have hopes in that regard.

Milt Wallace, ex-Olympic run- ner and now a member of that smart track team, headed by

Lieut. Bert Life and C.S.M. Alec Stewart, turned in a sparkling performance to annex the M.D. 2 mile championship and set a new mark of 4.50.6. Considering the opposition, the condition of the track and that spiked shoes were not used, this is exceed- ingly good. Van Riddell, a young two-year-old and not the three- year-old Dorothy Vernon, is the horse that has been turning in top performances for Earl Rowe, one of Canada's best-known har- ness racers. Van Riddell cap- tured a \$400 purse with compar- ative ease at the recent Duffer- in meet and Mr. Rowe has his horses ready for the important harness racing in the next few months. M. Wray of Schomberg has a pretty fair number in the 228 pacers class called Bob Dale and he can be expected to cash in shortly with this prospect.

Karl Ketter, Canadian golfing veteran, is now living at Totten- ham. Professional at the swanky Royal Ottawa Golf club back in the early part of this century, he captured the Canadian Open in 1909 with a score of 309 at the Toronto club and was again champion in 1914 with a 300 score at the same venue. He was runner-up along with the great Bobby Jones and J. M. Barnes of St. Louis to the late Douglas Edgar in 1919. Report has it that this grand old man of Canadian golf doesn't even play now.

Incidentally, with the excep- tion of 1920 with Charlie Mur- ray of Montreal in the role and 1941 with Bob Gray as runner- up to Sam Snead, no Canadian has ever finished as runner-up in the national open. "Yes, junior, we heard you. Why do they call it the Canadian Open?"

a few days ago at Maple Leaf

tance), but he negotiated the fur-
long in 24.5 secs. The leading
Canadian army athletes compet-

now in his fourth year overseas,

Congratulations are in order
for Alf Cooper, former Aurora
hockey player who has been
overseas with the 1st Hussars
since 1941, was married last
Saturday to an English girl over-
seas, we understand. Alf is ex-
pected home shortly. Red Math-

Murray Dowey, young pitching
sensational of York Depot-Brant-
ford and goal keeper de luxe,
takes the matrimonial plunge on
Saturday with Miss Gertrude
Patterson of Toronto. The same
day, Herbie Yake, who has
guarded the nets with skill for
Aurora town, R.C.O.C., Vandrof,
will wed L. Cpl. Jeffery of the
C.W.A.C. Sgt. Dave Mathewson,
former member of the Aurora
Cycling club, is celebrating the
advent of a daughter.

Stewart Henry, who is employ-
ed in Aurora with a well-known
gas and oil company, has been
attracting attention lately on the
sports front in baseball, golf and
archery. Stew pitched Aurora to
a win over Milliken and just
about beat Newmarket but he is
unfortunately too old for the
play-offs. Last Sunday along
with Bill Boaks, the golf cham-
pion of the Highlands Golf and
Country club, he staged a unique
match, so far as the district goes.
Armed with bow and arrow he
competed against Bill's best with
driver, mashie and putter. Bill
won the match by one stroke.

Wilkie Fleury, former Aurora
hockey, lacrosse and baseball
player, who served overseas and

his return joined the Toronto
fire brigade, is reported bound
for Chalk River, Ontario, where
he will supervise fire safety at
Canada's new atomic bomb plant
which will get underway shortly.
Another Aurora boy, Doug
Knowles, who in his day was
one of the best soccer players at
Aurora high school, is now hold-
ing down another important fire
post. Doug has been on service
with the R.C.A.F. since 1942 as
acting fire chief at No. 1 R.C.A.F.
command and should be in line
for promotion.

We ran across a 19-year-old
group picture of Irish-Canadians,
the Ontario junior lacrosse
champions, and noticed immedi-
ately the physios of Dit Clapper
and his oldest brother, Don. The
Irishmen were a great little team,
winning 14 games and losing
none. Far too often Dit Clapper
is associated with only one sport
whereas in reality he was an ex-
cellent all-round athlete. He
looked lean and hungry in those
days. Don, now a resident of
Windsor, was assistant manager
of the club.

Jimmy Walker is definitely
finished with junior hockey,
although he admits he might be
encouraged to give the bantams
or midgets a hand. Since 1939,
Jim, with the exception of one
year, has been active in junior
hockey at either Aurora or New-
market and that year he was
president of the Aurora town
league which sent the Aurora
R.C.O.C. depot into the O.H.A.
playdowns and annexed the in-
termediate title. "A fellow must
quit sometime and I've had my
share," sez Jimmy. "There are a
lot of fellows coming back from
overseas who can fill the shoes of
our older fellows who have been
at the game so long." Jimmy
has something there, the boys
coming back are the ones who
will have to carry the white
man's burden in the future and
it would be a good idea to get
them interested in the local
sports scene as soon as possible.
Many will still want to play.
Those who feel their day is past
can take over with the young-
sters. There's a thought for
those charged with rehabilitation
problems. Get the fellows com-
ing out of the services interest-
ed in community activities, you'll
find most of them returning with
new ideas, a better knowledge
of their country and certainly
mature beyond their age.

Mrs. George T. Cosford, Aurora
racing owner, has her horses in
action again and last week one
of the stable, Sand Storm, ran
third in a race in Hamilton and
looks good enough to keep a
weather eye tuned on for the
coming fall meets. Harry Rhine-
hart is in charge of the horses
and there will be many fans
pulling for one of the Cosford
horses to come through with a
smashing win.

WHITCHURCH
LOWER SCHOOL TAXES
STRUCK BY TOWNSHIP

A tax rate of 7.9 mills, which
will be reduced one mill to 6.9
by the provincial government
subsidy, was struck at the meet-
ing of Whitchurch council on
Aug. 11. Since the rate points
downward for most taxpayers the
members of council expressed
the feeling that the over-all
tax picture would be regarded as
satisfactory.

Every school section in the
township shows reduced school
taxes with the single exception
of Bethesda where the rate is
three-tenths of a mill higher.
Shrubmount section, which caused
excitement last year because
of a sharp advance to 21 mills,
dropped back this year to 13,
while the average reduction is
one to two mills over the various
sections.
The general tax rate last year
was 8.5 mills, but, with the pro-
vincial government absorbing
two mills, the net rate was 6.5
to the taxpayer. This year the
general rate was struck at 7.9
mills, of which the govern-
ment will pay one mill, leaving a
net rate of 6.9 or three-tenths of
a mill higher than 1944. Second-
ary education costs advanced
four-tenths of a mill. This could
be accounted for by reason of
more high school students in the
township.

The fire area in Whitchurch
township will be assessed three-
tenths of a mill on their tax bills
this year to raise a sum that will
reimburse the Aurora Fire De-
partment for fighting fires in the
so-called fire area which covers
all the west side of the township
from Yonge street to the west
side of the township from Yonge
street to the west side of the
sixth concession.

The council received a report
about careless shooting in the
Island Lake district on the tenth,
and police are investigating.
"What about snow plowing
next winter," queried Councillor
Ed. Logan, despite the heat.
He said the problem should not
be left until November. Reeve
Leary said tenders could be called
any time, and the clerk was
thereupon instructed to call for
tenders for this work.

Two deputations appeared on
behalf of the Hollinger Bus
Lines asking council to lend
their support for the inaugura-
tion of a bus service from Mount
Albert to Toronto, via fourth
concession, Whitchurch, twice
daily each way, and additional
service if and when the traffic
warrants it.
Councillors Harper, McLaugh-

lin and Logan expressed their
approval, and promised support
for the undertaking.
Councillor Harper moved a
resolution appointing the reeve
and deputy-reeve to wait on the
Ontario Municipal Board when
the hearing comes before that
body. Markham and East Gwil-
limbury townships, they were
informed, had likewise promised
support for the undertaking.
Mr. Hollinger said this was the
first time the company ven-
tured a rural service, and an-
nounced that a new 32 passenger
bus would be here in time for
this route. When reaching the
city passengers would be con-
veyed to the bus terminal at Bay
and Dundas under working ar-
rangement with Gray Coach
Lines, he explained.

A deputation from Lake Wil-
cox asked council to shape up
and take over a road on north
side of Wilcox from the lake to
Yonge St. Still another deputa-
tion asked for gravel on a new
road being built on the outskirts
of Newmarket. Arrangements
were made to visit both roads
before council would commit it-
self. "We have dozens of similar
projects," the reeve pointed out.
"Council has to be careful of
these new undertakings."

However, he promised the
matter would be carefully look-
ed into. In the case of Wilcox,
the council will view the situa-
tion following a special meeting
on Aug. 15.

Some members of the council
expressed the opinion that, hav-
ing in mind the large expendi-
ture of last winter for snow re-
moval, the tax rate just struck
should prove satisfactory. Mem-
bers also felt that, with the ex-
ception of weed cutting, public
services had been well main-
tained.

DOROTHY M. COWAN
Buried At Queensville
Dorothy Marguerite, wife of J. Ritchie Cowan, Nappan, Nova Scotia, and daughter of Mr. and Mrs. Geo. White, Keswick, died at an Amherst, N.S., hospital on Aug. 8.
Following a service at which the husband and parents were joined by the friends of Nappan, the body was brought to Keswick where, at the home and in the United church, funeral services were held on Aug. 12. Interment was at Queensville.
Born Jan. 30, 1920, north of Queensville, where her father farmed for many years, Dorothy White attended public school there. Graduating from Newmarket high school she went to Macdonald Hall of the Ontario Agricultural College, Guelph. Graduating in home economics she was employed for a time by the Federated Women's Institutes, conducting short courses in central and eastern Ontario.
She was a scholar in Queensville United church and later a communicant member of the church. With her parents she transferred church membership to Keswick when the family moved there.
As an elocutionist with professional training as well as native ability she contributed to the programs of many social gatherings in the Queensville and Keswick countryside.
On Sept. 19, 1942, Dorothy White was married to J. Ritchie Cowan, M. Sc., Blytheswood, Ont., a fellow graduate of the Ontario Agricultural College who, having taken his bachelor of science degree, had gone to University of Minnesota for post graduate work leading to the master's degree.
Mr. Cowan is a research specialist in cereal crops for the Dominion Department of Agriculture. He and Mrs. Cowan lived for a short time at the Dominion Experimental Station at Harrow, Ont. Transferring to the station at Nappan, N.S., they were there until her death in hospital at nearby Amherst.
A baby was stillborn on July 27 and Mrs. Cowan died 12 days later.
Mr. and Mrs. White were spending the summer at Nappan and returned home with their son-in-law.
Following a brief family service, Rev. Gordon Lapp conducted the largely-attended public service in the church. Included in the congregation was a number of Mr. Cowan's former associates at Harrow. Also present were college friends of Mr. and Mrs. Cowan.
Miss Lillian Holborn, Sutton, sang "In the Upper Garden," which was Mrs. White's choice of a solo number. Mrs. Harold Pollard was at the organ.
Many beautiful floral tributes came from Harrow and Nappan, from college classmates, from relatives and friends and from local organizations. Leaving the church the cortege passed between two lines of men holding the flowers.
Palbearers were John Holborn, Wm. Vail, Percy Mahoney, Orville King and Russell Stork, all of Keswick, and Geo. Holborn, Sutton.
